CURRENT EVALUATION

You must include with the application an evaluation by a state-certified drug and alcohol counselor. You are required to provide the counselor access to all records of past alcohol and drug treatment.

Give this form and the attached release of information form to the evaluator prior to the evaluation. ***The evaluator must sign this form and return it with the completed application.***

To the Evaluator:

The person you are evaluating has been convicted of driving under the influence of alcohol or drugs at least three (3) times. His or her license has been revoked for 15 years as part of the court's sentence. Nebraska permits a person who has served at least seven (7) years of a 15-year revocation to make an application to the Department of Motor Vehicles to have the license reinstated. Based on the application, the Director of the Department of Motor Vehicles will make a recommendation to the Board of Pardons, which will make the final decision. The Board of Pardons may make additional investigation.

As part of the application process, the applicant is required to submit to a current evaluation from a state certified counselor. The state requires that the evaluation include use of screening tools like the SASSI, Western Personality Inventory, Signs and Symptoms Checklist, and Mortimer-Filkens. A depression screen like Beck Depression Scale is encouraged. The evaluation must also include a collateral investigation, which must include a confirmation of substance abuse treatment the applicant has completed since the date of the 15-year revocation order and interviews with persons who know the applicant.

In order to be eligible for consideration for reinstatement, the applicant must **at a minimum** demonstrate that since the date of the 15-year revocation order that:

1. he or she has not been arrested for driving under the influence of alcohol or drugs;
2. he or she has not been convicted of driving under suspension;
3. he or she has completed a state certified treatment program; **or**
can demonstrate recovery from the dependence on or tendency to abuse alcohol and/or drugs without state-certified treatment;
4. his or her license is not subject to revocation for any other reason; **and**
5. he or she has abstained from the consumption of alcohol or drugs (except as physician prescribed) for a period of time sufficient to establish continuing recovery.

The Department of Motor Vehicles can require any other evidence it deems necessary to determine that the person is no longer a danger to the public safety. In part to help meet the minimum requirements, and to help establish that the person is no longer a danger to public safety, the Department requires the person to submit to the Department an evaluation of his or her current state of recovery from the dependence on or tendency to abuse alcohol and/or drugs.

The applicant is required to sign a release authorizing you to get a copy of treatment records. He or she is also required to sign a release authorizing you to send the evaluation to the Director of the Nebraska Department of Motor Vehicles.

The evaluation must address the following questions:

1. Does the evidence gathered in your evaluation clearly indicate if the person is currently abstaining from the consumption of alcohol and/or drugs (except as prescribed)?
2. If so, how long has the person abstained?
3. TREATMENT:
 - (a) Has the applicant successfully completed state-certified treatment?
 - (b) When did the applicant complete the treatment?
 - (c) Where was the treatment? What kind of treatment was it?
 - (d) Has the applicant abstained from alcohol or drug consumption since completion of treatment?
 - (e) Is additional treatment recommended?
4. RELAPSE: What are the risk factors for this particular individual? What are the factors weighing in favor of continued successful recovery?
5. What ongoing support, treatment, or aftercare is the applicant participating in?

Please provide a copy of the evaluation to:
